

Homework 4
AAA 616: Program Analysis, Fall 2016

Hakjoo Oh

Due: 12/6 (in class)

Read and summarize the following papers:

- Data-driven precondition inference with learned features. PLDI 2016.
- A data-driven approach for algebraic loop invariants. ESOP 2013.
- Inductive invariant generation via abductive inference. OOPSLA 2013.
